

Take Fwy 10 east to University Offramp. University is the exit just past Orange. Do not take the 30 interchange. Turn left on University traveling north to Lugonia. Turn right on Lugonia. As you follow Lugonia out through Mentone, Lugonia turns into Hwy. 38. Follow Hwy, 38 up the mountain to Rainbow Lane, turning right. If you reach Onyx Summit you have passed Rainbow Lane. Turn around and go back 1.5 miles. As you turn onto Rainbow Lane, you will immediately come to a wrought iron gate. As you come through the gate, you will see our ranch entrance about 1/4 mile back.

As you come through the log entrance, stay to the left to reach the Wild Rose, Hunters, Mountain Sunset, Ironwood lodges or the main house. To reach the Kopitch Cottage, rather than turning left, continue straight after the fork for about 1/4 mile and look for the Kopitch Drive on the right shortly after the paved drive.
